### Features

- part of the Moduli range launched in 1954
- price includes assembly in the factory
- used, e.g. as part of a wardrobe, TV unit or home office
- when used on the floor a base or a leg system is required between the floor and the cabinet to adjust the height to the desired purpose required and to suit your interior design. Can also be wall mounted.
- can be combined side by side or on top of other Moduli drawer units and cabinets and with Muurame table tops.
- the rear edge of the base is indented such that the cabinet can be attached to the wall despite the leg frame (choose a base of a suitable height)

### Color options

- white, white frame/glossy white top, glossy white
- doors: white, glossy white, clear glass, frame door with white or glossy frame/9 acrylic colors, oak
- shelf: white, glass
- bases and bottom plate: white, glossy white, oak (base only 10 cm)
- flat legs and Tele legs: matte silver
- diagonal legs: white or copper
- **Note!** *Equipment placed on top of the furniture (e.g. TVs) with plastic/rubber studs (especially natural rubber) should have the studs replaced with felt pads or other material which won't stain as the temperature of the equipment may cause the plastic to "melt" onto the surface of the furniture causing a permanent mark.*
