Features

- part of the Mup range launched in 1999
- part of a wardrobe or in children's room
- supplied in parts or assembled, ask retailer a quote for assembly
- requires a base or a leg system between the floor and the cabinet to adjust the height to the desired purpose and to suit your interior design.
- can be combined side by side or on top of other Mup drawer units and cabinets
- the rear edge of the base is indented such that the cabinet can be attached to the wall despite the leg frame (choose a base of a suitable height)

Color options

- white
- doors: white, glossy white, white with mirror, black, door with a black chalkboard
- bases and bottom plate: white
- tube legs: matte silver
- flat legs and Tele legs: chrome-coated or matte silver
- diagonal legs: white or copper
- **Note!** Equipment placed on top of the furniture (e.g. TVs) with plastic/rubber studs (especially natural rubber) should have the studs replaced with felt pads or other material which won't stain as the temperature of the equipment may cause the plastic to "melt" onto the surface of the furniture causing a permanent mark.
