- protective glass covers

### Features

- part of the Mup range launched in 1999
- price includes assembly in the factory
- used e.g. as part of a Mup storage unit or TV unit
- when used on the floor a base or a leg system is required between the floor and the cabinet to adjust the height to the desired purpose required and to suit your interior design. Can also be wall mounted.
- can be combined side by side or on top of other Mup drawer units and cabinets and with Muurame table tops.
- the rear edge of the base is indented such that the cabinet can be attached to the wall despite the leg frame (choose a base of a suitable height)

### Color options

- white, white frame/top in glossy white, oak
- doors: white, glossy white, oak, frame doors with white or glossy white frame/9 acrylic colors
- shelf: glass
- bases and bottom plate: white, glossy white, oak (only 5 cm high)
- castors: light grey
- tube legs: matte silver
- flat legs and Tele legs: chrome-coated or matte silver
- diagonal legs: white or copper

- **Note!** *Equipment placed on top of the furniture (e.g. TVs) with plastic/rubber studs (especially natural rubber) should have the studs replaced with felt pads or other material which won't stain as the temperature of the equipment may cause the plastic to "melt" onto the surface of the furniture causing a permanent mark.*
